## Mission Statement

*The mission of the Adams County Historical Society (ACHS) is to preserve, protect and restore the human and natural histories of Adams County for the informational and educational benefit of the public.*

The ACHS was formed in 1978 to restore the Depot to once again serve the public and fulfill the organizations Mission Statement.

## Building History

The Pacific & Idaho Northern Railway (P&IN) reached north from Weiser, Idaho into the picturesque beauty of Meadows Valley and opened its doors in 1911. The graceful brick Italianate style depot also housed corporate railroad offices.

By the late 1970's the Depot was destined for destruction. Will Kerby, former head of J.I. Morgan Logging, was responsible for saving the Depot from its demise. He is also responsible for donating the land on which the Depot is located. In 1978 the building was placed on the National Register of Historic Places.

## Funding

The ACHS receives no tax dollars to help support it and functions entirely on volunteer efforts. Funding is made possible through memberships, grants, donations, the March Family Endowment Fund and donations by Will Kerby.

## 20% DISCOUNT ON DEPOT ROOM RENTAL

Members in good standing receive 20% discount for personal non-commercial events such as parties, reunions, anniversary and wedding receptions etc. Members also receive the Bi-Annual newsletter.

*The ACHS cannot revive the faded memories of the Valley but we can preserve the Valley's history and assist in providing a facility and programs to present history, education for present and future generations.*

*We need your membership and energy to help carry this mission forward now and into the future*

The ACHS is a 501(c)(3) corporation and your donations may be deductible. You may also be eligible for an Idaho tax credit as the depot is an Idaho Non-Profit Museum.
